Training Courses

We are a training centre that focus on employable skills training in the following fields:

Computer Skills, Business Skills, AET, Safety, Plumbing, Carpentry, Bricklaying, Painting, Glazing and Tiling.

We equip the students with the essential skills for over a period of 6 months or shorter, after which students will be competent to start work immediately.

Our students will be an asset to any company in the sense that they already have the necessary basic training to be productive from day one.
We also offer free safety equipments during training.

WHO WOULD ATTEND

IDEAL FOR

- School leavers 16 years or older that want to specialise in one of these skills
- Must have a burning desire to better yourself
- People that already work in these fields and want to improve their skills.
- People that want to change their careers

QUALIFICATIONS

After successfully completing a course, students receive a certificate.
